SUMMARY

The Student and Family Engagement (*SaFE*) Specialist is an added support that serves to engage, inform, and connect families to resources available in and outside of PAUSD.

The goal is to empower families to be stronger advocates in their children's academic journey.

DUTIES & RESPONSIBILITIES

- Identify and help coordinate services and resources of support.
- Engage and facilitate communication between home and school.
- Assist, create, implement, and support individual student plans for success.
- Conduct outreach, inform, and help families navigate the PAUSD system.
- Analyze local records of attendance, behavior, and academic reports.

***If you have any comments or questions about the SaFE program, please contact:
